### PROGRAM AT A GLANCE

This course is designed to cater for Emergency Pharmacists both at the Introductory and Advanced levels. It will cover topics to help set up and develop an EM service as well as workshops which cover commonly encountered EM topics for both levels. For the Advanced level EM pharmacists the first day will provide a great first opportunity to have input and experience with the Advanced and Consultant Level Competency Framework (ALF) for Emergency Medicine Pharmacists currently being developed by Qld, SHPA and the COSP. Something for everyone!

#### Pharmacist competency units addressed include:

- 1.2 Practise to accepted standards
- 1.3 Pursue life-long professional learning and contribute to the development of others
- 3.1 Participate in therapeutic decision making
- 3.2 Provide ongoing pharmaceutical management
- 3.3 Promote rational drug use
- 4.2 Evaluate prescribed medicines
- 7.2 Evaluate and synthesise information
- 7.3 Disseminate information
- 8.4 Work in partnership with others
- 8.6 Plan and manage pharmacy services and the work environment"
