Sunday 23 May 2010 – 9.00 am to 4.00 pm

Rendezvous Hotel

328 Flinders Street, Melbourne VIC

Please note date
change

PROGRAM AT A GLANCE

This seminar is aimed at experienced Cancer Services Clinical Pharmacists who would like to consolidate their knowledge in the areas of malignant haematology, haematopoietic stem cell transplantation (HSCT) and infectious complications. Each presentation will include a didactic component on current practice, recent advances and emerging therapies as well as a case study highlighting pertinent issues. This is the ONLY advanced clinical haematology training seminar in Australia designed specifically for pharmacists given by pharmacists.

www.shpa.org.au/docs/cpd.html

TUTORS

Helen Leather – Helen has over 20 years experience in haematology as an advanced clinical pharmacy practitioner working in Australia and the US. Helen has been heavily involved in research and is an author and co-author on many book chapters and journal articles on haematological malignancies, HSCT and fungal infections. Currently she is working as the Scientific Director in a medical writing company, with special interests in CML, CLL and stem cell mobilisation.

Hong Yen Ng – Is currently the Senior pharmacist/Pharmacist-in-charge, Haematology Pharmacy, Singapore General Hospital. Hong attained her BCOP in 2006, and is currently pursuing a MSc (Immunology & Immunogenetics) with University of Manchester. Her special interests include HSCT, infectious complications in haematology/HSCT patients, and acute leukaemia.

Julie Wilkes – Clinical Haematology Pharmacist and Coordinator Home Cancer Care Service, Royal Perth Hospital, WA.

Tracy Shields – Clinical Pharmacist, Royal Children's Hospital, Melbourne

REGISTRATION

The registration fee includes tuition, lunches and tea breaks. Please note a hardcopy of the course manual will not be available, instead a USB will be mailed to you containing all pre-reading (a requirement) and speaker presentations. You can print your own set to bring along to the seminar if you wish.

ACCREDITATION

The material in this program (11 hours of content as Group 1 activity, Group 2 activity to be advised) has been accredited by SHPA as suitable for inclusion in an individual pharmacist's CPD plan as outlined in the SHPA CPD program. Participants will receive a certificate of attendance.
